

District Police Office, Kottayam is functioning in a new building complex since 28-2-2016. Though the construction of the building was completed in 2016, the courtyard and premises still covered with bushes, waste papers and various weeds. Hence in obedience to the directions of the State Police Chief, Kerala during Gandhi Jayanthi day, the place in and around DPO was cleaned under the leadership of DPC from 2<sup>nd</sup> October to 4<sup>th</sup> October 2017. But even after the cleaning within one month entire premises especially the front courtyard which is used as a parking ground, become a

field of bushes and weeds.

At this juncture, parking place ornamented with a planned garden would be a permanent remedy. Hence it was decided to set aside front courtyard for display and cultivation of plants along with parking place. The basis for such decision was based on the fact that, the public approaching for various purpose and staff both executives and ministerial would be

benefitted stress release on seeing the various flowers.

Keeping the above facts in mind, Kohinoor gardens help for preparation of sketch and plan for construction of garden at above said site.

BPCL Kochi Refinery, Kochi offered financial assistance under CSR Funds.

On 26<sup>th</sup> day of January 2018 Hon'ble Justice (Rtd) K.T Thomas inaugurated the beautifully constructed and decorated garden and parking area at DPO, Kottayam.
