Date: 3rd August, 2017

Dear Sir,

Intellectual Property Rights (IPRs) are increasingly becoming crucial drivers of social and economic growth in the 21st century. Enforcement agencies, especially police, have a major role in effective enforcement of IPRs. Creating awareness about IPRs amongst these enforcement agencies through regular trainings, while strengthening the enforcement regime, will also assist them in handling cases relating to IPRs in their day to day activities. This is also in line with the objectives of the National IPR Policy which emphasizes on the need to build capacity of the enforcement agencies at various levels.

In this context, Department of Industrial Policy and Promotion (DIPP) is organizing a three day "National Workshop on Enforcement of Intellectual Property Rights" from 22nd to 24th August, 2017 in New Delhi. The workshop will be inaugurated by Hon'ble Union Minister of Home Affairs, Shri Rajnath Singh.

The workshop is designed to help police officials and prosecutors across the country in understanding and appreciating the importance of their role in effective enforcement of IPRs. It will also provide an opportunity to the officials to share their experiences, exchange best practices and coordinate effectively with each other.

It is an honour to invite you for the inaugural function. Further, it is requested that the following may be nominated to attend the workshop:

- i) 5 Police Officials of DySP rank and above.
- ii) 5 Public Prosecutors.
- iii) 2 officials/ faculty members from the State Police Academy.

The schedule of the workshop is enclosed for your reference. Details of participating officials may be forwarded to Ms. Aditi Gupta, Assistant Manager, Cell for IPR Promotion and Management, DIPP (e-mail: aditi.gupta91@gov.in; Ph no: +91 9871467566).
